**Open House Celebration of Imaging Center and Women's Center:
Two Services, One Convenient Location**

St. Luke's Magic Valley Regional Medical Center invites the public to attend an Open House Celebration of two outpatient services – the St. Luke's Imaging Center and St. Luke's Women's Center. The event will be held at the new location in the Naples Building (762 North College Road, Twin Falls) on Wednesday, May 9, from 4 – 6 p.m. Meet the staff, tour the facilities and learn about the state-of-the-art services that will be provided. Twin Falls Chamber Ambassadors will conduct a ribbon cutting at 4 p.m., and refreshments will be provided.

The Imaging Center brings together technologies including CT, ultrasound, radiography, diagnostic x-ray, and fluoroscopy in a convenient, easily accessible outpatient setting. The Women's Center provides a comfortable and private environment for services specific to women, such as breast health and screening education, and breast care coordination in addition to screening and diagnostic mammography, ultrasound, and dexascan (bone density testing).

For more information call 933-4000 (St. Luke's Imaging Center), 933-4050 (St. Luke's Women's Center), or visit www.stlukesonline.org.

St. Luke's Magic Valley Regional Medical Center opened its doors in 1908. Today, this 213-bed community hospital serves the health care needs of people from eight southern Idaho counties and parts of northern Nevada. St. Luke's Magic Valley Regional Medical Center provides inpatient and outpatient surgery, 24-hour emergency services, cancer treatment, imaging, the Canyon View Psychiatric and Addiction Services, and women's and children's health care.
