**St. Luke's Magic Valley is Breaking Ground
On Our New Community Hospital**

St. Luke's Magic Valley Regional Medical Center is breaking ground on our community's new hospital. Please join us on Wednesday, May 23 beginning at 10:30 a.m. on the corner of Poleline Road and Grandview in Twin Falls for this historic celebration. The public is invited to get a preview of the new hospital, enjoy refreshments, and celebrate the one-year anniversary of the vote that created St. Luke's Health System. For more information visit www.stlukesonline.org.

St. Luke's Magic Valley Regional Medical Center opened its doors in 1908. Today, this 213-bed community hospital serves the health care needs of people from eight southern Idaho counties and parts of northern Nevada. St. Luke's Magic Valley Regional Medical Center provides inpatient and outpatient surgery, 24-hour emergency services, cancer treatment, imaging, the Canyon View Psychiatric and Addiction Services, and women's and children's health care.
