St. Luke's Magic Valley Maternal-Child Unit
Hosts Benefactors Social

The St. Luke's Magic Valley Maternal-Child Unit is hosting a special Benefactors Social on Saturday, June 2, from 4 – 6 p.m. in the SLMVRMC Doctors Meeting Room (just off the Hospital Cafeteria), 650 Addison Avenue West, Twin Falls.

The event is in recognition of the thoughtfulness and generosity of so many individuals and organizations that have contributed to the mothers and babies in the Maternal-Child Unit. “We would like to invite these benefactors to a dessert social as a way to show our appreciation for their generosity,” explained Rebecca Noblin, manager of the unit. “There will be displays of all the donated items and how we use them, as well as tours of the units if patient census allows.”

For more information or to RSVP please call Tracy Larsen at 324-4113 or Alisha Kevan at 737-2236.

St. Luke's Magic Valley Regional Medical Center opened its doors in 1908. Today, this 213-bed community hospital serves the health care needs of people from eight southern Idaho counties and parts of northern Nevada. St. Luke's Magic Valley Regional Medical Center provides inpatient and outpatient surgery, 24-hour emergency services, cancer treatment, imaging, the Canyon View Psychiatric and Addiction Services, and women's and children's health care.
