### **Boise State and St. Luke's Children's Hospital Team Up To Host Tailgate Party for Hospitalized Kids**

**WHO:** BSU Football players, Head Coach Chris Petersen, Cheerleaders, Maneline Dancers, and Buster Bronco

**WHAT:** Will join St. Luke's Children's Hospital to host a Bronco Tailgate Party for hospitalized kids at St. Luke's!

**WHERE & WHEN:** St. Luke's Children's Hospital  
4<sup>th</sup> Floor, St. Luke's Boise Regional Medical Center  
190 E. Bannock  
Monday, September 25  
11:30 – 2:00 p.m.

**EDITOR'S NOTE:** Coach Peterson will be at the hospital from 11:30 a.m. – Noon, and players from Noon – 1:00 p.m. The Maneline Dancers will be on hand from Noon – 1:00 and the BSU Cheer Squad from 1:00 – 2:00 p.m.

**WHY:** Child Life specialists work with pediatric patients at St. Luke's Children's Hospital to make sure their experience is a special one. The illnesses and injuries children are being treated for can be serious so hospital staff often partners with community organizations to find creative ways to offer some fun.

Many of St. Luke's young patients will not be able to experience the thrill of attending a BSU football game, so the team is bringing the celebration to them at the hospital. Complete with stadium snacks, players, and cheerleaders, the tailgate party on September 25 is on deck to be the most memorable party of the season.
